4 If you receive an invitation to apply via your account, you'll have 10 days to start your application.

7 Once the fee is paid, your employer should send you an employment number to apply for your work permit.

6 During that 20-day period, your employer needs to pay the Can\$230 employer compliance fee through the **Employer Portal**.

5 Once you start your work permit application, you have 20 days to complete and submit it, and pay the appropriate fee.

Applies to Young Professional and Co-op categories only.

8 Upload all supporting documents, including police and medical exam certificates, if applicable.*

9 Pay your participation fee of Can\$150 with a credit card online through your IRCC account. Other fees may include a Can\$85 biometrics fee and Can\$100 Working Holiday open work permit holder fee, if applicable.

BIOMETRICS

10 If required, you will be sent a biometrics instruction letter via your IRCC account after you submit your application. You will have **30 days** upon receipt of the instruction letter to submit your biometrics at a **Visa Application Centre**. For more information, visit canada.ca/biometrics

13 IRCC will send a Port of Entry Letter to your account. Bring this letter with you to Canada.
